NEWSLETTER AUTUMN TERM 2019

Dear Parents,

I hope you have all had a good summer and that the weather was good to you if you were on holiday! We would like to say a very big welcome to families that have recently joined us and give you a little information about what we have been up to over the last month or so.

Sports day and Graduation in Pre School was enjoyed by everyone and we wish all our leavers lots of happy times at their new schools. As many of you will remember (because the children were so excited!!), towards the end of the summer term we had a visit from the local fire department. The fire fighters spoke to the children about their work and also about fire safety, they even let them climb on to the fire engine for photos. We really appreciated the fact that they were able to spend time with us and it was an incredible learning experience for the children. There was also a Teddy Bear picnic with plates of sandwiches and cuddly toys everywhere - all good fun!

In September we have quite a number of new starters so our events will begin again in October. Coming up:
