Many Thanks.

Happy Birthday to...

Over the summer holidays, many of the children will be taking the next step in nursery life and moving through to their next room.

We wish them lots of luck and continued happiness.

## News from the Rooms

...to **Mrs Sue Lawrence**. Sue will be joining us in September and will take on the role as Deputy Manager, alongside Monica Sangha, who has been at Birchfield Prepcare for over ten years.

Sue has over 26 years of experience in childcare at Wolverhampton Royal School, where she held the post as Manager 😊

**Miss Abi Allen**, who joined our team in May will be taking on the role as a Senior Practitioner alongside Wendy Humpherson, who has been at the school and nursery for over 18 years.

**Babies:** *Wendy will continue to lead the Baby Room, with the main support of Catherine and Lydia.* The babies have been taking part in tactile play in the form of moon sand, custard play and shaving foam to name but a few! Wendy, Catherine and Lydia will continue to enjoy the outdoor space with the babies and, I feel sure, make use of the children's sun cream on some days and hats and coats on others.

**Tweenies:** *Carina will continue to lead the Tweenies, with the main support of Amy, Helen Fiona and Annie.* The Tweenies, along with the other classes have enjoyed picnic teas outside. Story time and circle time have been very much enjoyed by all the children. Their favourite rhyme is 'Baa, baa'. The children will be using the space that we have available to do creative activities, sing and sign and other messy play.

**Toddlers:** *Emily will lead the Toddler group, with the main support of Pam, Liz and Lydia.* The children have been measuring their growth on their height chart. With the Olympics happening in Rio, the children have also been celebrating the medal winners and looking at lots of different sports.

**Pre-School:** The Pre-school will consist of one main group of children, who will be divided into the two pre-school classrooms for certain activities.

**Pre-school will be led by Miss Abi Allen and Miss Laura Fleming, with the assistance of Miss Hannah Cooper and Mrs Vicky Powell.**

The children have been enjoying making medals, looking at the flags of different countries and talking about different sports and the achievements. The Pre-school children will be re-introduced to Forest School, Music and PE and they will be getting to know each other by telling their peers about themselves such as where they live? Have they been on holiday recently? How many siblings do they have? How many pets do they have?

With the mornings having an Autumnal feel to them, I would like to ask parents to provide their children with appropriate clothing for outdoor activities.

Many thanks for your continued support
