News from the Rooms

Welcome to Allie, Ellen, Rafe, Bonnie, Narayan, Orlando, Bertie and Jai who have all joined over the past few weeks. All are settling in well and adjusting to nursery life 😊

Babies: Babies have been engrossed in creating various pieces of art work for their new display. They have been engaged in painting, using collage and glue, feathers and anything else that is fun to use!

Tweenies: Tweenies have enjoyed creating a Hungry Caterpillar display after observing our very own caterpillars! They have now turned into butterflies and are ready to be set free. They have also enjoyed filling and emptying various containers with sand these past weeks and introducing different objects into the sand such as cars or dinosaurs. They have also been thinking about using their manners and how they link in with the British Values.

Toddlers: Toddlers have enjoyed growing their own sunflowers. Once we had seen some young shoots, the children have taken them home to enjoy caring and observing how they grow. Some of the sunflowers met with some challenging times on their journey home, but we have been re-assured that they are now all growing well! We have transferred some of the sunflowers outside and we hope that they will grow to an impressive height for the children to observe. Toddlers have also enjoyed making bread, biscuits and flapjacks over the past weeks, filling the nursery with some wonderful smells of baking, yum, yum 😊

Intermediates and Pre School: The children have enjoyed learning about the life cycle of a butterfly and observing our caterpillars as they turned into butterflies. They have also been naming and counting zoo animals and thinking about people who care for us. As Sports Day is looming, the children have begun to practice for their races. We hope you are able to come and cheer the children on and fingers crossed that the weather improves soon!

HAPPY BIRTHDAY!

In June we wish Happy Birthday to Avi, Jack, Lilly, Harper, Chloe, Grace, Freddie, Myiah, Kieran, Mrs Robinson and Miss Allen.

In July we wish Happy Birthday to Victoria, Esmee, Ibrahim, Macy, Bonnie, Summer, Nancy, Eloise and Monica.

Many thanks for your continued support.
