

MORETON HALL PREPCARE JANUARY 2018

Brionys Beats

All the children are enjoying Brionys Beats on a Tuesday, it is full of rhythm, dance and singing about many different topics.

Music at a young age helps all areas of child development, intellectual, social and emotional, motor, language, and overall Literacy. It helps the body and the mind work together.

Exposing children to music during early development helps them learn the sounds and meanings of words.

We have been thinking about children that are not so lucky as us. We have taken a trip to the local church with shoe boxes full of presents for 'Operation Christmas Child'. Thank you to everyone who brought in items to go in the boxes.

We have all enjoyed lots of messy and creative play over the holiday period, we have been using our creative side and making all different Christmas crafts. We have been developing our fine motor skills as well as our imagination with daily messy play. The term fine motor skills refers to movements your child makes using the small muscles in their

hands and forearms.

Panto

Pre-school 2 enjoyed their trip to watch Dick Whittington at the Theatre Royal in Bury.

The Children had a brilliant afternoon and it was a great treat before Christmas and after their brilliant performance at the nativity. Well done Pre-school 2.
