

Newsletter January/ February 2019

Happy new year!

Welcome back to a new term at Rugby PrepCare!

We would like to start the year saying a huge thank you to you all for all the lovely gifts we received for Christmas we were overwhelmed with such kindness. Your cards with beautiful messages made us all feel very valued.

To finish the year off the pre school children sang in there very own Christmas jingle. We were so proud as to all the hard work the children and staff put in to make this occasion a memorable one. I think we really do have some budding singers and dancers here!

Supporting charities

Over the course of last year, we raised over £200 for 3 charities, Children in Need, Macmillan Cancer Support and Save the Children. Thank you so much for your support.

We would really like to continue supporting charities, especially local ones. Please let me know if you are involved or have a charity that is close to your heart, as we would really like the opportunity to work with them. Our next project is to raise money for resources for our local children's hospital. Please look out for information on exciting events to help support this project.

Funding

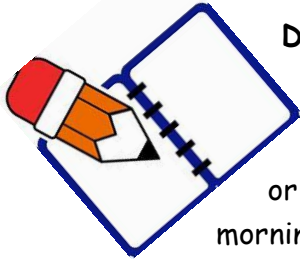

Could all parents in receipt of the 30hrs funding code make sure that they validate their codes every 3 months. If they are not validated then we won't be able to claim the full funding for your child, the cost will then be passed to you.

Change of circumstances

Please can you inform the office by letter or email of any changes you need to make to your child's schedule.

If you move to a new house, new telephone number or new emergency contact details please let us know so that we can keep our information up to date- thank you.

Diary of events.

The diary of events will be displayed from the end of January. Always keep a look out for posters that will be on the classroom notice boards or doors to advertise the events. We are looking forward to lots of messy mornings in the babies, creative sessions in the tweenies, and Spanish assemblies in the Pre-School room, and of course the big event Graduation!

New Menus

February will bring the change of our new menu, these will be displayed in all rooms. If you would like a copy or any allergen advice please let us know, we would be more than happy to help.

Staffing news

We would like to welcome 2 new members to our team, Rebecca Kelly and Bruna Kauffman. We are thrilled that they have joined Rugby Prepcare. Bruna is a mum of 2 boys and has such warmth and passion for children's development. Bruna will be working in all rooms and helping the children with their Spanish skills. Rebecca has a calm and caring nature and brings lots of creative ideas to the setting. Welcome to Rebecca and Bruna.

We would also like to say a big congratulations to Miss Bowley and her partner, they got engaged on Christmas day and the wedding is planned for 2020! I'm sure you will join us in wishing them every happiness for the future!

Thank you as ever for your continued support.

Zoe and the team at Rugby Prepcare.
