## News from the Rooms:

**Babies:** We have made a lovely summer display, creating flip-flops with our feet and sunshine with our hands and fingers. We have had lots of water play, in the paddling pool, playing with ducks, boats, bubbles and sponges. Our pre-walkers have been practising both inside and outside with our walkers...clever babies! We are also growing some sunflowers ☺

**Minis:** We have been doing lots of outside play. We have made crispy cakes, practising our cookery skills and we watched ice cube melt and found lovely raspberries hidden inside...yum yum! We wish Miss Taz lots of love and hope she enjoys the rest before baby comes ☺

**Littles 1:** Thank you to those who have bought in pictures of their child at the beach...they are looking lovely on our display. Could we have some more please for those who haven't yet bought them in, if you pay a visit to the beach over the summer?

**Littles 2:** We have created a lovely summer display, and a mini-beasts one too, using lots of paint and glitter...do come and see. We have enjoyed watching our tiny caterpillars turn into beautiful butterflies. We are looking forward to lots of outside play over the summer...even in the paddling pool ☺

**Pre-school:** Phew! What a busy end of term. We said some tearful goodbyes to many of our little friends, with more goodbyes to come, but we wish them all the love and luck in the world as they take their next big step to growing up. We would like to welcome our new children to Pre-school, and look forward to lots of exciting times ahead over the coming year.

Many thanks indeed for returning the questionnaires. We will shortly be collating their findings and we will publish this on the Parent Noticeboard in due course!
