

MORETON HALL PREPCARE –September 2018

Pre-school 2 enjoyed a visit to the residential home for the Macmillan Coffee morning, they enjoyed cakes and games with the residents. This will now be a monthly visit as everyone has such a good time and finds it very beneficial. Next time we will be going to do some baking with them on the 2nd November.

The children in pre-school have been doing some ice cube painting. They have all made beautiful pictures to go on the wall. They all enjoyed this sensory activity and this type of play helps children to develop and improve their gross and fine motor skills, co-ordination and concentration. It also supports them to work cooperatively and collaboratively, use all their senses to discover and explore their environment, and develop their imagination, creative thinking and ability to problem solve and experiment with solutions.

We would like to welcome.

Babies - Ellie and Billy

Toddlers - Kerim and Oliver

Pre-school 2 - Florence and Theo

Mud Kitchen

We have all enjoyed playing with our new mud kitchen, we have made lots of mud pies. This is a great way for children to be creative, use their imagination and play together.

Toddlers have been enjoying turn taking and matching games, they have all really enjoyed this and this has helped develop their social and concentration skills. Well done.

Up and coming events

Harvest festival trip to the church - Wednesday 3rd October - PS 2

Moreton Hall Prep School Open Classroom day Friday 6th and Saturday 7th October - All welcome

Grandparents stay and play

Fireworks at Moreton Hall school Thursday 1st November at 6pm

Halloween Dress up - more information from your child's room

Forest School

The children in pre-school 2 have been enjoying their forest school sessions for a few weeks now. Exploring the natural world encourages curiosity and stimulates all the senses. All the children each have their own forest name, they have been on a listening walk and finding natural materials to decorate with. We also have agreements to use in the forest, such as using normal talking voices, as loud voices may scare the animals and wildlife. The children love to come back and tell everyone what they have been doing.

Reminders

Please can I ask all parents to drive slowly when entering and leaving the premises as children could be crossing, it has been noted that some parents are driving too quickly. Thank you.

Please can parents not let one another in.

No parent should be entering the premises unbeknown to staff, so please respect one another and wait for a staff member.

As its getting colder please can we ask all parents to bring in wellies, coats and all in ones if they have them for their children, as we like to get muddy in the garden.

Can I remind parents that we do open at 8 and shut at 6pm. A lot of children have been here before 8 and past 6pm.

Thank you

Thank you in advance.
