E-Safety is important

1. Make sure you have parental controls on
2. Monitor what they are watching
3. Don't leave them unattended when using tablet/phone

In the messy room we have a Makaton board which has all the basic signs we use daily as well as some animal signs too, we try and encourage the use of these everyday. Feel free to take a look so you can do at home too.

The children have loved doing our themed crafts and messy trays recently as well as enjoying our singing/dancing sessions and reading lots of books.

Now it is getting colder can we make sure you are packing appropriate clothing and spares in case they get dirty in the garden. As well as providing outdoor wear too. Pegs need to be clear and nothing left at the end of the week please.
