

Preschool Newsletter December 2021

Dates to remember:

- We will be shutting early Christmas Eve and New Year's Eve early at 4 o'clock.
- Start of term is the 4th January 2022

Reminders:

- Please can we remember that we don't open until 8am. We are not insured until 8am so can't let your children in any earlier than that.
- Please may you bring your children in with appropriate clothing for the weather and that these are all labelled so things don't get lost.
- Covid cases are still really high at the moment. We are doing everything we can to keep your children safe, including extra sterilising and increased washing of hands. Could I please remind you to watch out for symptoms of covid (continuous dry cough, temperature above 37.8 and a loss of taste or smell) If your child has one of these symptoms they will need to go for a PCR test. If your child displays these symptoms at nursery we will send your child home for a PCR test. We understand how frustrating this is, however we are doing our best to keep everyone safe.

Birthdays:

We would like to wish Oscar a Happy Birthday for December.

Noah, Ela and Heath have a birthday coming up in January.

This month we have also said goodbye to Reva who has gone to a new nursery. We wish her all the best.

Themes:

Our most recent topic has been Christmas. We have been enjoying making different Christmas crafts as well as taking part in some glittery Christmas activities. We hope that you all love the crafts your children have made. Unfortunately we weren't able to take part in our Christmas performance like we had planned due to covid. However the children have practiced these so well.

In January we are going to be moving on to look at animals. We will discuss different types of animals and have activities on these animals. The children seem to be really interested in animals at the moment so we hope they love this.

Please don't hesitate to get in contact with us if you have any questions, worries or concerns. We will be happy to help. Thank you so much for your continued support throughout the year. We wish everyone and their families a Merry Christmas and a Happy new year!
