NEWSLETTER 2024

"In every leaf, there's a whisper of autumn's magic"

Preschool

Preschool has been exploring all things autumn. During one of our morning walks we collected many treasures. Preschool selected the finest conkers, leaves and sticks from local parks and with them created an autumn collage for our display board.

Autumn fun

October has been an action-packed month from practising mathematics to mark making with leaves. As well as plenty of spooktacular Halloween activities such as creating patchwork pumpkins, cotton bud skeletons, shrunken apple heads and magical witches potions full of pumpkin seeds and gruesome googly eyes.

Tweenies

Tweenies have had lots of fun during October. Story time and autumn themed artwork with Itishree. Picnics in the playground with Alba and lots of singing, dancing and play time with musical instruments. As well as a halloween themed painting activity spending time creating creepy crawly spiders.

Babies

The baby room was transformed into a luxury spa retreat this month. They got to enjoy some top notch feet massages along with a serene atmosphere and relaxing music. All that was left to do was lie back, rest and chill.

The babies also went for a sensory walk around the local park. They were able to see squirrels, as well as explore the different textures of natural objects such as tree bark, chestnut shells and leaves.

SPA DAY!!

Dates to remember for November
