Prepcare News

Santa 'secretly' came to visit the whole nursery, leaving a present for everyone. Elsa then visited to give out the presents from Santa!

Baby Room – All our babies are doing so well and we are having lots of fun together. We have made lots of Christmas crafts and enjoyed lots of wintery themed sensory play. We love our wintery windows painted by Miss Fran too!

Minis got in the festive spirit. The children were very busy creating Christmas bags with lots of goodies to take home. We are exploring Christmas and winter through different activities such as magic snow and playing musical instruments to music. We hope everyone had a wonderful Christmas and we look forward to 2022. Stay safe everyone.

Explorers/Transition –The children have been busy doing lots of fun activities and many have enjoyed mini football and visits to Booka. We hope you all had a lovely Christmas and we are looking forward to all the exciting things we will be doing over the coming weeks. It is lovely to see our past minis who are now looking 'so grown up' and have become real 'Little Explorers.'

Preschool - Our fantastic Pre-school performed their Christmas Nativity. It was magical to watch and they did brilliantly well, topped off by 'Away in a Manger', which, when sung by children, will always bring a lump to the throat and a tear to the eye. A big 'thank you' to all parents/families for providing such amazing costumes.

The children were also busy creating lots of lovely things to take home in their Christmas bags for their families to enjoy. They loved having fun and getting into the spirit of Christmas. One of their particular favourites this year, was playing with the 'Polar Express' Tough Spot! Happy New Year to you all.

Although we fully understand there may be times when you are unavoidably held up, may we please remind parents again of the necessity to collect your child on time as it can affect our ratios which are of course extremely important. Thank you.

We want to reassure all parents that we are continuing to maintain our very high standards of cleaning not only at the beginning and end of day, but throughout as well. We appreciate your cooperation in being extra vigilant looking out for signs and symptoms of Covid in your child with the priority to keep everyone safe and well.

Last year was another slightly strange one for everybody. However, we again made sure it was filled with memorable moments, fun, laughter and lots of learning experiences. We would like to wish you all a very Happy and Healthy New Year. With love from Denise and all the team xxx
