

# Preschool Autumn Newsletter 2025

## Preschool Programme

Since September in Preschool we have been focusing on golden rules, room routine, building confidence and independence skills. This has been following our planning of learning "All about me"

We have covered a wide range of topics such as

- Importance of rules
- How to keep a clean environment
- How to be independent
- How to express and regulate emotions

Plus many more!

## Self registration

Every morning as the children enter the room they are asked to find their name and place it onto the registration board. We have noticed great improvement with letter and name recognition and would encourage to work with your child on starting to recognise the letters in their name.

## Important dates to remember in preschool

**31<sup>st</sup> October Halloween Preschool Stay and Play Session  
2pm till 330pm**

**Preschool Panto Trip Wednesday 3<sup>rd</sup> December 1.30pm**

**12<sup>th</sup> December Preschool Christmas Show 230pm until 4pm**

## Colder Weather

**Just a gentle reminder as we enter the colder months can we please ensure the children come in with warm coat, hat and preferably an all in one for the garden as gets very muddy this time of year. Thanks**

## Extra Curriculars

**Within preschool we offer a wide range of extra curriculars swimming, sports, golf, forest school and music we have seen fantastic progress so far within these programmes and look forward to seeing the benefits as we continue through the year.**

## Thank you

**Both myself and Jean would like to thank you all for your continued support as we look forward to supporting your children with their future learning and development.**

## E safety

**Within preschool we do have an ICT area where the children are learning how to use and operate simple computer programs such as paint and learn how to make their own digital picture. Great progress!**
