What we have been doing.

This term we have been focusing on 'all about me'. The children have enjoyed talking about what they look like and their families. We have also been looking at the 5 senses and drawing around our bodies.

We have also been doing lots of Halloween craft, including painting, sticking and drawing. We had our Halloween stay and play where the children enjoyed decorating biscuits, doing more Halloween painting and also doing some Halloween drawing.

The children have enjoyed exploring the different trays we have had out. We have been going to forest school, and all the children have liked playing in the hammock and building dens.
