

Toddlers Newsletter

Dates to remember:

- Thanksgiving 28TH November
- St Andrews day 30th November
- Christmas Jumper Day Thursday 12th December
- End of term is Friday 20th December, and will start again on Monday 6th January 2025
- We will be shut 25th and 26th December as well as 1st Jan. We will also be closing at 4pm on 24TH and the 31ST.

Key points.

- As it is getting colder outside please can we make sure all the children are coming in with spare clothes and socks. Also as the weather seems to have turned can we please have hats, gloves and scarfs, if these could please be named.
- We are encouraging the children to put on their own shoes so if the children could be wearing shoes they can try and do themselves that would be great.

E-Safety. safety

It is important that when children of any age are using a Device that is linked to the internet that they are in the same room as you so that you are able to see and hear what they are doing.

We will be sad to see Elodie C and Sophia leaving us at the end of this year.

In January we will be having a few of the tweenies moving up so more friends for us to play with. We will be welcoming Gabriel, Jensen, Leo, Paisley and Florence.

Next steps.

Throughout this next term we will be focusing more on the children's self-care. We will be encouraging them to do their own coats and shoes, also pouring their own drinks. We will be seeing if they can try and do something independently before asking an adult for help.

What we children have been doing.

- Every morning we have been doing group time. The children all sit really nicely for this and talk about how they are feeling. They all tell one of the adults how they felt and many of them give a reason why.
- We have been doing a lot of different messy craft and drawing which are being added into the children's scrap books.
- We had nursery rhyme week which all the children loved. We picked some of the children favourite songs and did activities each day to do with these. We tried to get the dinosaurs out of ice, made some sheep and also had a farm tray.
- We have been looking a lot about shapes this term, naming different shapes and finding them around the room.
