

# Preschool Newsletter April 2022

We have really loved having you all back inside the nursery and having chats with you. Please don't hesitate to use this time to air any concerns or worries you may have about your child. We love being able to chat to you all again.

When leaving, can we make sure that the door is closed behind you. Also, please don't let any parents in, unless there is a member of staff at the door, this is for safeguarding reasons.

## **Dates to remember:**

Monday 16<sup>th</sup> May – International Families day stay and play

Wednesday 22<sup>nd</sup> June – Fathers Day stay and play

Thursday 21<sup>st</sup> July – Graduation

Easter Holidays 11<sup>th</sup> April – 22<sup>nd</sup> April

Monday 25<sup>th</sup> April – Term starts

## **Key Points:**

- If you haven't already can you please bring in a named suncream ready for the warmer weather. As well as a sun hat and appropriate clothing.
- Tuesday 19<sup>th</sup> April – you will all find out your school choices. We are so excited to find out where you are all going. Could you please let us know what school you are going to, so we can arrange contact with them.

## **Topic:**

This term we have been learning about the world around us. We have looked at the world we live in and how we look after the world. As well as looking at the weather, seasons and space. The children really enjoyed space week and got really involved learning new planet names and making our own planets. We explored some messy play trays and loved making our own snack.

We have started to spend a lot more time in the garden recently. We have started to recant the garden and build up our different areas. It has been great to see the children playing nicely in these areas.

Next term we are going to look at fairytales. We will be looking at several different fairytales and activities around this. These will include; Goldilocks, the three litter bears and jack and the beanstalk.

## **Home Learning Activity:**

Your child will be taking part in many different activities while they are at nursery. It is also really important that children are continuing their learning on home. In each newsletter I will be giving out some examples of some home learning activities you can do at home.

- When out and about there are many different numbers and letters written on bins, doors, signs and cars. Pointing and naming these letters and numbers with your child will help to support them to hear, recognise and say them.
- Play-dough - your child is beginning to start to write and use pens and pencils. Using play-dough will really help to support the muscles in their hands to strengthen
