

## Newsletter - March 2021

Dear Parents

With all the changes within nursery over the last year, we have not been able to invite parents to join us at nursery for events. We hope that this situation will soon change and we look forward to offering a full diary of events that you will be able to attend and enjoy with us. We will keep you posted. The children however, have been very much involved and have enjoyed many events this term with Chinese New Year, St Valentine's day, Pancake day and World Book day, just to name a few. The staff try to include photos of your children having fun with these events (as well as all the other exciting activities they do at nursery!) by sending photos, videos and feedback on the eyLog.

Due to the Covid situation, our Spanish teachers returned to their homes in Spain to be with family and we send all our love and best wishes to them. We welcome Rosa and Alba to the team and the children will now be able to continue enjoying to learn Spanish with these new staff. "Grandes noticias!"

For those children who are due to start school in September 2021, please remember that we are more than happy to arrange for you to visit Arnold Lodge School to meet the teachers and receive more information about the reception class. Just let a member of staff in Pre School know or send me an email [arnoldlodgeprepcare@outlook.com](mailto:arnoldlodgeprepcare@outlook.com) and I will ensure that someone contacts you to arrange a visit. If you prefer to call the school directly, the telephone number is 01926 778050.

There will be a small increase in fees in April, you will receive notification plus a copy of the new fees via your eyLog about this. The increase this year is small and is only designed to cover modest staff pay rises. These are in part driven by the increase in the National Minimum Wage, which of course has an impact on other salaries.

It has been a very challenging year for everyone, I would like to take this opportunity to thank our dedicated staff for all their hard work and to all our parents for their continued support.

Best regards,

Jeanette Pearson Tanner  
Nursery Manager
