

Preschool Summer News Letter

It is now starting to get warmer and will hopefully stay this way so can all children bring suncream if they haven't already along with a named sun hat. To keep cool we will be doing more water play so can we also have spare clothes in the bag to change into.

Upcoming dates:

June 21st – father's day

July 16th – Graduation!!

July 20th - Summer holidays start!

What have we been up too:

In preschool we have been on a nice walk down to the park making the most of the lovely weather. we have been very crafty for insect week making bees and spiders out of salt dough and clay. We have also been firefighters using spray bottles to fight fire

Over the next few weeks we will start having teacher visits and you all will be having visits to school too! Please let us know when these are so we can involve them in discussions readying us for school.

Forest school:

Even though it is hot outside now can we still send children with sensible shoes and long trousers as there will be stinging nettles down there so we will still need protection.

Internet safety:

- Set boundaries (screen limits)
- Co viewing
- Educational content
- Open conversations about safety
- Report concerns

Thanks Kirsty, Jean and Helen
