

As we start a new term at PrepCare we would just like to say thank you for all the lovely Christmas gifts and cards that were sent into us. We hope you all had wonderful time during the Christmas holidays period. Now we are all back the nursery once again is a hive of activity! Covid may still be around, but we are working hard to keep the nursery as normal as possible, any updates or new information regarding covid polices and procedure will always be sent to you via EYlog. Please take the time to check the diary of events that was sent earlier in the month as there are lots of exciting events and activities coming up.

### Baby Room

The babies have been exploring lots of textures from ice play to tuff trays filled with coloured rice and many different sensory bags. They have also been getting involved in preparing for RSPB Big Garden Bird Watch, using their hands and feet to make a variety of birds to display.

### Tweenie Room

The Tweenie room have been going on lots of train journeys, making trains with chairs, boxes and go- kart wheels. They have been letting their imagination run wild. They have been looking at Patterns for Australia day using cotton buds to make aboriginal designs and making flags and thistles to celebrate Burns night.

### Pre-school

The Pre-school room have been focusing on healthy eating and keeping fit. Pre-school looked at what are good choices of food and ones that are not so good, they looked at the impact of not looking after our teeth and what we can do to keep them clean. They have started to plant vegetables to put in the allotment when the time is ready.

They also celebrated Burns night looking at poetry and words that rhyme.

Look out for a letter form Miss Allison who will be using letters and sounds programme and taking the children on a listening walk.

They have also been enjoying the outdoor area making fantastic den and painting on a large scale.

### A couple of reminders....

Please keep us updated if you need to change your details that we hold on file.

Any changes to nursery attendance need to have 1 months' notice.

Please make sure your children have the correct clothing for the day ahead, plenty of changes of clothes and that all clothing is named.

If your child has been given notification of their 2-year check, please let us know so that we can send you to your appointment with a report from us here. Please do give us notice so that we can get this ready for you.

Remember if you are in receipt of the 30 hours funding you will need to validate your code every 3 months.

Thank you to all our parents and carers for your ongoing support stay warm, stay healthy and stay safe, The team at PrepCare x
